

# NEW YORK REPORTS

PLATINUM AWARD CHAPTER

MAY 2008

Dear Colleagues:

Dear Colleagues:

Welcome to the May edition of our Newsletter. As our Chapter year draws to a close, we look forward to a few more events. However, before we move ahead, we had a number of successful events in April and early May.

- On **April 10<sup>th</sup>**, Mark Arning hosted the Audit Directors roundtable at New York Life. Twenty-two people participated. Another monthly meeting held on **May 6<sup>th</sup>** drew 27 attendees. This event keeps growing in popularity.
- On **April 11<sup>th</sup>**, Nick Barone provided insights into IT Fraud Auditing. We had 93 attend this session. Our luncheon speaker was Jim Lombardo from Deloitte & Touche LLP who addressed "How Good Governance can Deter Fraud". A total of 110 attended that luncheon.
- On **May 9<sup>th</sup>** our workshop was led by Nejolla Korris from Contemporary Business Concepts. She provided training to 143 of our members on Investigative Techniques: Linguistic Lie Detection. This was quite an interesting session. We had almost 200 people attend our luncheon where we handed out some of the 44 certificates earned by our members who passed the fall exams. We also handed out some awards to thank our legions of volunteers.
- On **May 21<sup>st</sup>**, the Business and Industry Committee together with Deloitte and Touche offered a free event entitled "An Integrated ERM Workshop". Risk Management is an important business issue, especially in our current environment, and many companies struggle with implementing an integrated, focused, coordinated Enterprise-wide Risk Management (ERM) program. Companies make money by taking measured risks that result in increased stakeholder value potential, and they lose money by failing to manage operational risks. This was led by Aidā Demneri, senior manager within the Governance and Risk Oversight group of Deloitte & Touche and followed by a reception.

Now on to our recent events and details of some upcoming events.

- On **June 12<sup>th</sup>**, Mark Arning will host the next Audit Directors roundtable at New York Life. Please contact Mark at [MarkArning@newyorklife.com](mailto:MarkArning@newyorklife.com) if you want more information on these valuable opportunities to network and share ideas.
- Please mark your calendar for our fabulous awards dinner on **June 6th**. We will again be in Little Italy where we will honor all of our past presidents and hand out the coveted Tom Johnson award among many others.

Please visit our website ([www.nyiaa.org](http://www.nyiaa.org)) for more information about the Chapter's programs and activities. As the Chapter year winds down and a new one begins, it's a great time to get involved in NY Chapter activities. If you are thinking about it and want more information, I encourage you to approach a chapter officer board member or volunteer at a workshop or chapter event. Contact information is also available on the website.
